

ENGLAND

River Thames

England

DRAMATIC CASTLES, STately HOMES AND FORMAL GARDENS, and medieval manor houses are yours to enjoy while cruising the Thames. A royal legacy provides the perfect setting for some of the worlds leading museums and galleries to which England is home. With its beauty and rich history, England can sooth, enthrall, revitalize and excite all at once.

DESCRIPTION

The eight passenger Magna Carta offers four spacious state-rooms with generous en-suite facilities. The upper deck salon and dining areas sport picture windows and stylish furnishings. Her experienced Captain knows the Thames well and your Master Chef will produce a range of mouth watering dishes while you enjoy the sights of London and the home counties from your floating country inn. Two house-keepers complete the crew of four.
